

# Privacy Policy

Electro-Kinetic Designs Limited does not collect personal information about you unless you choose to submit that information to us.

## Information Collected and Stored Automatically

When you visit our website, we store the following: the IP address from which you access the Internet, the date and time, the Internet address of the website from which you linked directly to our site, the name of the file or the words you searched, and the browser used to access our site. This information is used to measure the number of visitors to the various sections of our site and identify system performance or problem areas. We periodically delete our web logs.

## Personal Data

If you choose to provide us with personal data by sending an email, we use that data to respond to your message and to help us provide you with information or material that you request. We do not give, share, sell, or transfer any personal data to any third party. The legal basis for us processing your personal data is that it is in our legitimate interests to do so.

You have the right to ask us to delete your personal data or restrict how it is used. There may be exceptions to this right which we will tell you about if they apply.

If you have submitted personal data to us and would like that information deleted from our records, please contact us.

## Use of Cookies

Cookies are small text files which are stored on your computer when your browser opens a website. Cookies are used by websites to perform a variety of functions, for example to help you navigate around the site, to remember your preferences for future visits to the site, to log statistics about the number of visitors to the site. The Electro-Kinetic Designs website does not use cookies for advertising, nor do we provide links to third party websites for advertising use.
